

Give Them the Pink Slip

*The "Toxic Twins"
Both Love Free Trade*

Toxic Trade Means:

- **Unsafe medicines** that are not approved for human consumption were made in China and sold in the USA.
- **450,000 defective tires** that created a blowout risk were made in China and sold in the USA.
- **Fake brake pads** made of kitty litter and sawdust were made in China and sold in the USA.
- **243,800 Ohio jobs** in the manufacturing sector have been lost since 2000.

Toxic Traders, You're Fired
