

Cleveland Jobs *with* Justice NOT Ohio Jobs *and* Justice PAC

Cleveland Jobs with Justice, a coalition of 58 labor, community, and faith organizations working together to promote workers' rights and social justice in Northeast Ohio, is **not** affiliated with the sponsor of this event, Ohio Jobs and Justice PAC.

Cleveland Jobs *with* Justice strongly supports the rights of all workers, including immigrants. Ohio Jobs *and* Justice PAC (OJJ PAC), on the other hand, is aligned with anti-immigrant hate groups.

Ohio Jobs and Justice MYTH	Cleveland Jobs with Justice FACT
Immigrants take American jobs.	Immigrant labor is needed to fill jobs in the U.S. that an older, more educated American workforce is not willing to fill, especially at the 'race-to-the-bottom' wages and poor working conditions many corrupt employers offer. The government's failure to enforce laws that protect workers and bad employers are to blame for the loss of American jobs, not those who are hired at such deplorable wages.
Immigrants hurt our economy.	Undocumented immigrants pay Social Security, Medicare and all taxes, including federal, state, and local payroll taxes, as well as; sales, property, and other taxes. Over 10 years, they pay \$17.3 billion in federal payroll taxes alone but rarely use public benefits including Social Security.
Immigrants commit crimes.	Immigrants come here to work, not commit crimes. In fact, they are five times <i>less</i> likely to be in prison or jail than U.S. citizens.
